

MOPPETS Ministry

MOPS would not be possible without dedicated MOPPET workers to care for our children during MOPS meetings. MOPPET workers provide loving, quality care for each child and biblical teaching that impacts the entire family. *The success of our MOPS ministry depends on our MOPPET volunteers.*

The MOPPETS ministry is in need of lead teachers and classroom assistants who are willing to play games, lead activities & crafts and most importantly, teach our preschoolers about Jesus. We will provide the lessons and supplies. We need willing volunteers to provide time, love, and energy.

Do you love babies? We also need loving, nurturing volunteers to care for our babies in the nursery.

MOPS helps women grow as mothers, wives, friends, and Christians. However, the biggest challenge we face is finding dedicated MOPPET workers. Will you help us grow our MOPS ministry and our children's faith by volunteering as a MOPPET worker?

MOPS meetings are scheduled 1st & 3rd Wednesday's of the month from 9:00-11:15 am, September through May.
